Timber Ridge Pony Club Request for a New Certification

The United States Pony Club has established several levels of Standards and Proficiency as a means of measuring the progress and level of achievement of its members. This also provides a guideline for an instructional program.

The D1 through C2 levels are tested at the local club. C3 and above are tested at the national level.

In general, the certification approach is to provide a positive experience for the rider. We view certifications as an opportunity for the rider to confidently demonstrate their knowledge and riding skills to the examiner. To do this, we expect the rider to work with their instructor in ensuring they are adequately prepared to certify. Checklists are available on the website for each level of horse management and riding specialty and must be signed by the rider's instructor.

This form, payment, and the signed checklist are due to the DC **one month prior to the certification date**. Once payment has been made, there will be no refunds.

The certification you are applying for:

D1	_____	No charge
D2	_____	\$30
D3	_____	\$50
C1	_____	\$75
C2	_____	\$85

Please make all checks payable to Timber Ridge Pony Club.
